Special Collections

James Henry Gray collection of documentation on the proposed Montreal and Trans-Canada pipeline projects.
[ca. 1948 - 1958].
2 m of textual records.

Collection consists of submissions made by various companies in the oil industry to the Alberta Petroleum and Natural Gas Conservation Board and the National Energy Board relating to the exportation of natural gas and crude oil from Alberta to Eastern Canada and the United States via proposed pipelines. Includes geological and engineering data, projections of Canadian market requirements, reserve estimates, financial projections, facility descriptions, etc. Companies making submissions include among others Trans-Canada Pipe Lines Ltd., Westcoast Transmission Co. Ltd., Alberta and Southern Gas Co. Ltd. and Canadian-Montana Pipe Line Co. Collection also includes several submissions to the Royal Commission on Energy in 1958.
Text in English.
No restrictions on access.
For an historical perspective on the advocacy of the independent oil companies to build the Montreal pipeline see Special Collections copy of Historical summary of events leading up to agitation to build a crude oil pipeline to Montreal / by James H. Gray and Charles Lee, 1975.
